Description

The meeting in Vlore, Albania (D.4.1) will act as a workshop on the implementation pilot courses where Albanian partners can present the improvements of training modules during the WP 3 for course content to pre-university teachers, university teachers and university students according to the support done from the other European partners and the Ministry of Education, Sports and Youth. Also, AEN network will be launched during the sessions of the meeting and other issues regarding to the pilot courses implementation in Albanian Universities.

1. **Approval of Modules for pre-university teachers.**
 - a. Entrepreneurship in Primary Education, and
 - b. Entrepreneurship in Secondary Education.
2. **Approval of Module for university students**
3. **Approval of Module for university teachers:**

(During the meeting in Vlore, the changes and updates suggested in the previous visit in Leon will for each module will be presented and approved).

4. **Launching the final AEN document of memorandum of understanding between Albanian partnership and ASCAP.** The Albanian Entrepreneurial Network (AEN) (D.3.3) will be launched. The AEN is created to support and develop competencies of teaching.
5. **Launching the network of EntrAL teacher trainers in the framework of AEN network.** The network guarantees the homogeneity expected by the Ministry of Education, Sports and Youth in order to accomplish a comprehensive VET system for teacher training.
