Description

Work package: D.6.1 The meeting in Tirana, Albania (D.6.1) Towards an integrated entrepreneurial mind-set

Type: Event (English, Albanian languages)

Target groups: Teaching staff, technical staff, students

Dissemination level: International

International conference organised at Sports University of Tirana for 2 days will present the project outcomes but also entrepreneurial paths which have emerged during the project lifetime. During the conference will be engage discussions on the entrepreneurial cultural change in Europe and in the Balkans. The second day will be for the project consortium to evaluate the project results and sustainability.

The focus will be on inviting Albanian stakeholders, including business representatives, entrepreneurs and local organisations, in addition to universities. Partners will play a central role presenting activities and achievements.
